EDUCATION

Bachelor of Technology, Computer Science and Engineering – Amritsar Group of Colleges Expected 06/2028

3rd Year, 5th Semester | CGPA: 7.83

TECHNICAL SKILLS

Languages: C++, C, Python, JavaScript, TypeScript
Web & Frameworks: React, Node.js, Express.js, HTML, CSS, Tailwind CSS, REST APIs
Databases: MongoDB (MERN stack)
Tools & Practices: Git, GitHub, Vite, Zustand, Recharts, Tableau, version control, component-based design

PROJECTS

House of Traders (AlgoTrade) – Multi-Account Options Trading Terminal | Frontend React, TypeScript, Vite

- Redesigned the trading terminal frontend using React, TypeScript, Vite and Tailwind CSS, with shared state managed through Zustand stores and live data views built with Recharts.
- Iterated through multiple theme directions (light, neon dark, navy dark) to arrive at a premium dark UI; restyled the live trading mode banner and converted the Topbar to the dark theme.

VoyageAI – Smart Tour Booking Application MERN Stack

- Built a full-stack tour-booking web application with separate user and admin modules using React, Node.js, Express and MongoDB.
- Implemented frontend interfaces for AI-powered destination recommendations, interactive itineraries, budget planning, packing lists and travel tips.

True Chakki – Product & Brand Website React

- Contributed to a responsive React website in a development team; built interactive customer-facing features and optimized component layouts.
- Developed product and process sections with image-based content, ensuring consistent cross-device compatibility.

EXPERIENCE

Freelance Coding Instructor | Independent May 2026 – Present

- Teach one-on-one coding and frontend development classes in Python, C, HTML, CSS and web design, with lesson plans tailored to each student's level.
- Guide students through hands-on projects, explaining code, debugging issues and best practices.

Online Tutor | KIDWAY Educational Private Limited Jan 2026 – Present

- Deliver structured online sessions on academic and computer concepts for a global EdTech platform, adapting explanations to diverse learning styles.

AWARDS & ACHIEVEMENTS

- Second Position – Panel Discussion under the VBYCP Program.
- Third Position – Declamation Competition on Shri Guru Teg Bahadur Ji.
- Appreciation Award – Entrepreneurial Leadership in the Student Library Community.
- Best English Speaker Award – Honored on Teachers' Day for effective communication.
